Free HEAL Grant Writing Training at Cheverly Health Center

Through HEAL, the Health Department is continuing its mission to strengthen community organization's infrastructure and build sustainability. HEAL is partnering with the Prince George's County Human Services Coalition to offer Grant Writing training, which is free to Prince George's County community-based and faith-based organizations. Space is limited for the session to be held Feb. 11, 2014, at 1:00p.m. For information and registration, email ctg@co.pg.md.us.

County to Celebrate its Centenarians in May

Do you know any county residents who are 90 years of age or older (as of Jan. 2014)? If so, the Prince George's County Dept. of Parks and Rec is planning a Centenarian Celebration in May to honor the county's most seasoned residents. Email publicaffairs@pgparks.com or call 301-446-3400/TTY: 301-446-3402). Deadline for nominations is Feb. 28th. [Read more.](#)

February 7th is National Black HIV/AIDS Awareness Day

"I Am My Brother's and Sister's Keeper. Fight HIV/AIDS" is the 2014 theme for National Black HIV/AIDS Awareness Day, celebrated nationally on Feb. 7th for the past 13 years. The Health Department encourages African-American county residents to get educated, tested, involved, and treated for HIV/AIDS. The Maryland Department of Health & Mental Hygiene says an estimated 6,918 persons in Prince George's County were HIV infected in 2010. [Read more.](#)

Surgeon General's Report: Health Consequences of Smoking - 50 Years of Progress

The U.S. Dept. of Health & Human Services has released a comprehensive report in 2014 chronicling the devastating consequences of 50 years of tobacco use in the U.S. and the major progress made over the past five decades. Smoking is still the leading preventable cause of death in the U.S. [Click here for the Executive Summary.](#)
